

LOCAL ACCOMODATIONS

Camps Kenwood & Evergreen Visiting Day will be Sunday, July 26, 2009

Please be advised the because of our rural location establishments fill up quickly during the summer. Families who are looking for a more traditional hotel (as opposed to a bed & breakfast) should look to stay at one of the many chain hotels in Concord, NH. Concord is a 35-minute drive from Camp, and has restaurants, movie theaters and other family-friendly things to do. We recommend booking early to avoid disappointment. Prices shown are per night where that information was available at the time of printing, and are subject to change.

If you need more specific information about our local establishments please contact Assistant Director Jason Sebell by phone at 781-793-0091 or by email at jason@kenwood-evergreen.com
