

WELCOME TO CAMPS KENWOOD & EVERGREEN

We are delighted to have you join us for a tour, and can't wait to show you our Camp and get to know your family. Please let any of our team know if you have questions or need anything, and you can also reach Associate Director Matt at (781) 867-0010 if you can't find us!

A note about COVID-19: while we usually love hugs and high fives, we ask that while you're on Camp you are mindful of practicing physical distance and wearing a mask when close to others or indoors. We have hand sanitizers located all over camp, please use those and remember to wash your hands frequently!
